## Five Years and Counting

*This year, Child Evangelism Fellowship is celebrating its 75th anniversary, CEF of Franklin County is in its 60th year and we, the Russell family, just completed our 5th year of ministry with CEF. What an honor it has been to be able to come back to the area we call home and serve the largest unreached people group in the world - the children.*

*Over the past five years, we've seen God do amazing things - just as He was doing before we arrived. He has faithfully provided the staff needed to keep the work going. He has called hundreds of volunteers to serve in Good News Clubs and Good News Camp. He has prompted many to give financially to allow needed materials and trainings for the work and He has recruited armies of prayer warriors who lift up our work on a daily basis.*

*It's funny to think back five years ago as we were making a major transition in our lives. We honestly had no idea what to expect as we started a new chapter in our ministry. One thing we knew for sure is that the One who had called us to this work and this place would be faithful to us as He's always been. Five years and counting. We are excited to see what God will do next.*

*During the first week of June, we were able to steal away for a few days to Wildwood, NJ. Although the air was a little chilly at times, we had a great time walking the boardwalk, sitting by the ocean, riding amusement park rides and playing games. One of our favorite things was this "bicycle built for six," It was a fun way to go up and down the boardwalk.*

### Prayer Requests

- ✓ Praise God for providing many of the needed workers and volunteers for Good News Camp. Continue to pray as more are still needed in late July and early August.
- ✓ Pray that each day of camp will be fresh for us; that we'll have renewed energy, and be a blessing to each person that we come into contact with throughout the summer.
