<b>Total</b>	<b>475</b>	<b>40</b>	<b>\$7300.70</b>

Good News Camp certainly was different this year. Although the basic elements were the same, only having about 1/3 the usual number there each week seemed very odd sometimes. We are so thankful for the campers and staff that were still able to come. We praise God for giving us health and safety.

The lessons were on the life of Esther, and the main truths learned each day are so relevant to current events.

## Good News Camp 2020 Main Truths

Camp was blessed once again this year by an amazing junior staff and more than 200 volunteers who served for a week or more with the children.

As always, we had missionaries who shared their ministries and challenged the children to pray, give, and go.

We had beautiful weather, and bad weather and thunder storms were held off during camp time.

## Open House and Teacher Training

Our annual September open house will not happen this year. The main purpose of the open house was to distribute club materials, so there is really no reason to have it. We hope to host it again next year when things return to normal.

We will also be postponing our teacher training classes for now. If the schools open to us, we will consider starting them again, but for now, we will not plan to have them this Fall.

We want to make materials and support available to anyone who is interested in hosting a Good News Club in their home, church, or neighborhood.

We've found a few leads that we are following that may have open doors for clubs. If you know of someone who is willing to host a club, please let us know. We're hoping to find some ways to reach the children outside of the schools. If you normally teach or help with a school club and are willing to take part in a neighborhood or church club, please let us know. Your experience will be valuable to help in new places.

In the meantime, please continue to pray that God will reopen doors to previous clubs and to provide leads for new ones.

## Help Spread the Word

Since the large majority of our face-to-face ministry will not be possible this Fall, we are looking for ways to let the children know about the great opportunities CEF is offering online. We have prepared the flyer below. We are asking for you, our local contacts, to help us spread the word. We would like to distribute these flyers to neighborhoods throughout our county. If you would be willing to take several dozen (or hundred) to give out in your neighborhood or another nearby neighborhood through contactless delivery, we'd be happy to get them to you. Please give us a call for more details or if you'd like to volunteer to help cover a neighborhood.

## Camp Blessing

One of the greatest blessings of the summer was the missionary offering that was brought each week. Even though our camp only numbers were very low, our offering numbers were just as high as a normal summer. We saw campers making great sacrifices. Some of them did extra chores, some gave their tooth fairy money, some brought their savings, and some shared the burden with their parents who gave generously. One junior counselor gave a tithe of all the money he had earned that summer. It was so encouraging to see how God was working in their hearts to be a part of missions. Here are a few envelopes the children brought that made us smile.
