

What is Good News Camp?

A day at Good News Camp is full of stories, fun activities, crafts, and water games. Good News Camp has been operating for more than 50 years and has more than 1500 people who participate each summer in locations throughout Franklin and Fulton Counties.

Who can come to camp?

Any child who has completed kindergarten through (and including) 6th grade may attend. Campers can come for only one week. Our goal is that any child in elementary school may have the chance for a memorable week of camp where they hear about Jesus.

How does busing work?

Each week there are several bus stops located in various places (see schedule on reverse side). In the morning a child can be put on the bus at the pick-up time; then in the afternoon the adult should return for the child at the drop-off time. Choose a week with a bus stop in your area, or car riders may come any week of your choosing.

How do I register?

Register and pay online at www.franklincef.com or cut out the registration form from this brochure and mail it with a check for \$60 to **CEF, PO Box 6, Waynesboro, PA 17268**. Children must register in advance. Some of the camp weeks will fill up. A confirmation letter will be sent with more details once the registration and payment are processed. Bring a lunch and drink each day. The camp provides a snack and snow cone.

What about safety?

Our camp is run by competent staff and counselors who have been background checked and take constant care of the children. For the protection of all, we have accident insurance and a camp nurse present each day.
